### **Adam meets Mary on the bus**

**Adam:** Hello, Mary!

**Mary:** Hello!

**Adam:** Are you still a secretary?

**Mary:** No, now I'm a teacher of Arts.

**Adam:** Where are you teaching Arts?

**Mary:** I'm teaching Arts near my home, at Modern Arts School.

**Adam:** Oh, that's fine! I like Arts.

**Mary:** And you, Adam? What's your job?

**Adam:** Now I'm studying Medicine. I spend all the time studying.

**Mary:** Studying all the time?

**Adam:** No! On the weekends I practice sports, I go to the movies, to the beach, I meet friends...

**Mary:** Excuse me... Adam... I must get off now. So long.

**Adam:** So long.
