Charle's farm

Charles has got a large farm. Many people work there
Men and women work daily in all sorts of jobs. Charles milks
His cows every day.

There are big animals of the farm, like cows, oxen, horses
And small animals like hens, geese and pigs. Charles has got
many buffaloes and sheep. He is a rich farmer.

There are also five large lakes on the farm with tons of fish.
And there is a beautiful orchard with many kinds of fruit
And people on the farm don't pollute nature. They live in a
Healthy environment.

It is really a very nice farm.
